MESSAGE FROM THE PRESIDENT, TAPASU

Dear Colleagues

I am immensely glad to communicate with you all through this newsletter. During my tenure as president of TAPASU we have started a website www.tapasu.in and we have updated our member list. We have planned to start whatsapp group. We have to improve our membership as there are many more urologists who are yet to become members and i request all regional urology clubs in various places to ensure whether all their members have become members of TAPASU. I take this opportunity to thank you all especially secretary and council members for their cooperation.

With regards,

DR C Ramaswamy

MESSAGE FROM THE SECRETARY, TAPASU

Dear Tapasu Members,

It gives immense pleasure to address you as the Secretary of TAPASU. Ever since the inception of the Association, it has grown leaps and bounds in the last twenty years. The Association now has about 400 members. The academic activities of our association has not just stopped with annual conferences but also extended to Midterm CUE'S. we have conducted 6 midterm CUE programmes. We are also planning to incorporate more academic activities in the years to come. Our's is also the first Southern association to get accreditation for conferences.

I am happy to say that the current TAPASU secretariat has started a website and its running successfully, the first step to digital progress. We have also updated the current member list, and are hoping to improve the member numbers. Needless to say organising a conference is always a difficult and a challenging work but thanks to the commitment shown by the SRM team i believe this conference is going to be a wonderful one of its kind.

Greetings

Dr. G Chengalvarayan

Midterm workshop of TAPASU& Quiz-O-Mania for TAPASU by ASU: REPORT

(Tamilnadu and Pondicherry Association of Urologists)

The midterm Workshop of TAPASU for the year 2017 was hosted by Tiruchy Renal Sciences Club and was conducted in Dhanalakshmi Srinivasan Medical College at Perambalur on 30.4.2017.

The theme of the program this year was 'Neglected / Forgotten Tenth Compartment'. The program was inaugurated by Prof.A.Rajasekaran, Past President Of USI & Past President of National Board of Examinations. Dr.AjitVaze, President Elect of USI was the Guest of Honour. Dr.C.Ramaswamy, President of TAPASU delivered the Presidential address.

The Program started with Quiz-o-mania for the postgraduates of TAPASU with Dr.VinodKanna as the quizmaster to select the State team for Zonal competition at ASUCON at Manipal.

The midterm program covered various nonmalignant problems of the external genitalia under the sessions 'What to do, when to do, how to do & should I do' 'Surgical tips' and 'Practice Guidelines' with a fair mix of fresh talents and the experienced as speakers. There was an animation filled guest lecture on Stress incontinence by Dr.AjitVaze, on popular demand.

The innovations of the program included books as mementoes, watering tree saplings to mark inauguration, a live backdrop, interesting way of introducing the guests by videos, etc.,

The program was well attended by more than 100 delegates and the significant number of audience who stayed till the valedictory function at 7.15 pm was the proof of the interest created by the program .
